To Play Is The Thing!

## Join Us In the Fun!

What is GraffitiWall : We're a digital town square, coffee shop, and village green, for members to gather, speak their mind, and build what every company dreams of: a loyal and engaged customer relationship. We value your input and look forward to hearing from you often. Communicating only through words can sometimes be limiting so we're offering a large palette of mediums ranging from pictures, words, sound and live dialog. We hope you'll join us in our frequently scheduled activities such as scavenger hunts, free promotional giveaways, games, and focus groups. In a nutshell, the Wall is for you to build a community where everyone is invited to share their opinion or simply to have fun and meet new folks. To learn more visit our About Us section. Become A Member: Just fill out the form below. Afterwards, expect a welcome email from us with a link that will bring you within the logged-in section of GraffitiWall. We look forward to seeing and hearing from you soon.

Best Regards,  
The Construction Workers behind the Wall
